Nature is Our Fashion

About Alishan

Alishan stands as the pioneering producer of exquisite artificial stone basins in Bangladesh. Our legacy as a market leader is rooted in an unwavering commitment to deliver the highest quality and innovation. With years of dedicated service, we have etched our name in the hearts of homeowners, interior designers, and contractors across the country. At our core, we pride ourselves on our commitment to excellence, a meticulous attention to detail, and the unwavering pursuit of customer satisfaction.

Our expansive 36,000-square-foot factory hums with the creativity and expertise of 200 skilled artisans who craft every basin to perfection. Behind the scenes, our formidable marketing team, comprising 50 passionate individuals, works diligently to showcase our products to the world. Since our inception in 2015, we have tirelessly honed our knowledge, refined our production techniques, and expanded our product range to meet evolving market demands. This dedication to uncompromising quality and unwavering client satisfaction has earned us the sterling reputation of an industry-trusted brand.

Wash Basin (Freestanding)

Model: 01 - BGP

Featuring our model 01-BGP, an enduring representation of elegance and luxury. It is the pinnacle of standard beauty, with its cream natural tint radiating warmth and the stone-textured body adding a touch of luxury.

The circular mirror in this little bigger basin captures the spirit of balance. Its luxurious appeal is enhanced by the elaborate antique gold motifs on the basin and mirror. Every curve and feature captures the essence of painstaking craftsmanship.

Expertly crafted from premium artificial stones, it provides a sanitary and easily maintained surface in addition to an eye-catching pattern. This piece's grandeur enriches your room and serves as a monument to your refined taste.
